Children are not permitted to wear jewelery while playing or training. This rule excludes medic alert bracelets. If earrings cannot be removed they must be suitably taped.

## **GAMES:**

A regulation Tee-Ball game shall be of nine innings or time limit allotted, whichever ever comes first. No even innings shall commence within five minutes of the scheduled finishing time. Once an innings has commenced it must be played to completion, which is both sides must bat.

Please ensure that all games start and finish on time.

Home teams are listed first in the fixture book and occupy the first base line, set up the diamond and field first. They also supply the plate umpire (when required).

Away teams are listed second in the fixture book and occupy third base line and bat first. They also supply the base umpire (when required).

***The club is endeavoring to supply umpires for all fixtured games this season. However, in the event that this is not possible please adhere to the above mentioned information with regards to umpiring responsibilities.***

## **BENCHES, SHADES & UMBRELLAS:**

Teams in the first timeslot are responsible for putting out the benches, sun shelters and umbrellas on their relevant diamonds.

Teams in the final timeslot please ensure that you put your benches, sun shelters and umbrellas away.

## **PLAYING RULES:**

A player must occupy a different position after each second innings. No player can re-occupy that same position in that game.

Players must not change fielding position in an innings unless injured.

A player must not sit out twice in a game unless all other players have sat out once.

In the first four innings a player must play at least once in an infield and at least once in an outfield position.

No player in the sub-junior competition may be run down by the pitcher whilst attempting to run to first base.

The committee strongly urges all coaches to rotate all players through the nine fielding positions.

## **FIRST AID:**

The association has a first aid box which will be situated at the clubrooms.

## **CLUB MEETINGS:**

**Our club holds meetings on the first Wednesday of every month at the Reid Oval club rooms. Start time is 7.30pm and it is compulsory for all teams to have a representative attend.**

**This is an excellent opportunity to have a say in how our club is run.**

## **PARENTS NEEDED:**

In order for our club to run smoothly we need committee and parents to work closely together. For this reason we are asking parents to help with Coaching, Umpiring, Base Coaching, Scoring and canteen. Even if you are unsure how to do any of these activities we are only too happy to teach you. You do NOT need any qualifications for these positions. The club will provide training and support. The kids all get a huge boost of enthusiasm whenever there is parent participation. So if you are able to help in anyway or are interested in finding out more details, please come and see anyone on the committee.

We look forward to a great season with lots of fun and friendship.
